

# Danaher Commences Split-Off Exchange Offer For Its Communications Business In Connection With NetScout Transaction

---

WASHINGTON, May 14, 2015 /PRNewswire/ -- Danaher Corporation (NYSE: DHR) announced today that it has commenced an exchange offer related to the split-off of its Communications business. The split-off transaction is in connection with the previously announced combination of Danaher's Communications business with NetScout Systems, Inc. (NASDAQ: NTCT).

## Key elements of the exchange offer:

- Danaher stockholders have the option to exchange some, all or none of their shares of Danaher common stock for common units of Potomac Holding LLC, a Danaher subsidiary formed to hold Danaher's Communications business, subject to proration as described below. In the combination, common units of Potomac Holding LLC will convert automatically into the right to receive shares of NetScout common stock.
- Tendering Danaher stockholders are expected to receive approximately \$107.53 of NetScout common stock for every \$100 of Danaher common stock tendered, subject to the upper limit described below.
- Danaher will determine the prices at which shares of Danaher common stock and common units of Potomac Holding LLC (and ultimately shares of NetScout common stock) will be exchanged by reference to the simple arithmetic average of the daily volume-weighted average prices of Danaher common stock and NetScout common stock, respectively, on the New York Stock Exchange and the NASDAQ Global Market on each of the last three trading days of the exchange offer.
- Danaher currently expects to issue approximately 62,500,000 common units of Potomac Holding LLC in the exchange offer. The number of shares of Danaher common stock that will be accepted in the exchange offer will depend on the final exchange ratio and the number of shares of Danaher common stock tendered.
- The exchange offer and withdrawal rights are scheduled to expire at 12:00 midnight, New York City time, on July 8, 2015, unless the exchange offer is extended or terminated.

The exchange offer is designed to permit Danaher stockholders to exchange all or a portion of their shares of Danaher common stock for common units of Potomac Holding LLC (which will convert into shares of NetScout common stock) at a discount of 7 percent to the per-share value of NetScout common stock, subject to an upper limit of 2.2522 Potomac Holding LLC common units for each share of Danaher common stock tendered in the exchange offer.

The aggregate number of shares of NetScout common stock issued in the combination is expected to result in Danaher stockholders and Potomac Holding LLC employees collectively owning approximately 59.5 percent of the issued and outstanding shares of NetScout common stock on a fully diluted basis immediately after the combination.

If the upper limit is reached as of the initial expiration of the exchange offer, then the exchange offer will be subject to a mandatory extension of two trading days, as described in the exchange offer materials being sent to Danaher stockholders.

The final exchange ratio showing the number of common units of Potomac Holding LLC that Danaher stockholders participating in the exchange offer will receive for each share of Danaher common stock accepted for exchange will be announced by news release no

later than 4:30 p.m., New York City time, on the expiration date (unless the exchange offer is extended). The exchange offer will expire at 12:00 midnight, New York City time, on July 8, 2015, unless terminated or extended, and the closing of the merger of the NetScout subsidiary with and into Potomac Holding LLC is expected to occur promptly after expiration of the exchange offer. The transactions are subject to customary closing conditions, including NetScout stockholder approval and Danaher's receipt of an opinion of counsel regarding certain tax matters. NetScout has scheduled a special meeting of stockholders to be held on June 25, 2015 to approve the issuance of NetScout common stock in the transaction. As a result of the exchange offer, the number of outstanding shares of Danaher common stock will be reduced.

The exchange offer will be subject to proration if the exchange offer is oversubscribed, and the number of shares accepted in the exchange offer may be fewer than the number of shares tendered.

If the exchange offer is consummated but not fully subscribed, then the remaining common units of Potomac Holding LLC owned by Danaher will be distributed on a pro rata basis to Danaher stockholders whose shares of Danaher common stock remain outstanding after the consummation of the exchange offer.
