

DANAHER ANNOUNCES ANTICIPATED FORTIVE SEPARATION DATE

WASHINGTON, May 4, 2016 /PRNewswire/ -- Danaher Corporation (NYSE: DHR) (the "Company") today announced that it expects to complete the spin-off of Fortive Corporation on July 2, 2016.

Upon completion of the spin-off, Danaher common stockholders will receive a stock dividend of one share of Fortive common stock for every two shares of Danaher common stock they hold as of the spin-off record date, which is expected to be June 15, 2016. Prior to consummation of the spin-off, Danaher will mail to Danaher common stockholders as of the record date an Information Statement containing information about Fortive and the spin-off.

Fortive will be comprised of two segments, Professional Instrumentation and Industrial Technologies, and will include market leading brands such as Fluke, Qualitrol, Tektronix, Gilbarco Veeder-Root and Matco Tools. Fortive will be headquartered in Everett, Washington, and employ more than 20,000 associates worldwide. Fortive's revenues for the year ended December 31, 2015 were \$6.2 billion. Fortive will have market leading positions in such areas as professional instrumentation, automation, sensing and transportation technologies. The company's website is www.fortive.com. Fortive's ordinary shares will be listed on the New York Stock Exchange under the symbol "FTV."

The completion of the spin-off remains subject to final approval by Danaher's Board of Directors and other customary conditions.

Statements in this release that are not strictly historical, including the statements regarding the Company's anticipated spin-off of Fortive Corporation, the composition of Fortive's businesses, Fortive's strategy and

prospects, the anticipated timing of the separation, record date and distribution ratio and any other statements regarding events or developments that we believe or anticipate will or may occur in the future are "forward-looking" statements within the meaning of the federal securities laws. There are a number of important factors that could cause actual results, developments and business decisions to differ materially from those suggested or indicated by such forward-looking statements and you should not place undue reliance on any such forward-looking statements. These factors include, among other things, deterioration of or instability in the economy, the markets we serve and the financial markets, the impact of our restructuring activities on our ability to grow, contractions or growth rates and cyclicity of markets we serve, competition, the potential for improper conduct by our employees, agents or business partners, our ability to successfully identify, consummate and integrate appropriate acquisitions and successfully complete divestitures and other dispositions, contingent liabilities relating to acquisitions and divestitures, our ability to successfully consummate the separation of Danaher into two public companies and realize the anticipated benefits of that transaction, our compliance with applicable laws and regulations (including regulations relating to medical devices and the healthcare industry) and changes in applicable laws and regulations, our ability to effectively address cost reductions and other changes in the healthcare industry, risks relating to potential impairment of goodwill and other intangible assets, currency exchange rates, tax audits and changes in our tax rate and income tax liabilities, litigation and other contingent liabilities including intellectual property and environmental, health and safety matters, risks relating to product, service or software defects, product liability and recalls, risks relating to product manufacturing, the impact of our debt obligations on our operations and liquidity, our relationships with and the performance of our channel partners, commodity costs and surcharges, our ability to adjust purchases and manufacturing capacity to reflect market conditions, reliance on sole sources of supply, labor matters, international economic, political, legal, compliance and business factors, disruptions relating to man-made and natural disasters, security breaches or other disruptions of our information technology systems and pension plan costs. Additional information regarding the factors that may cause actual results to differ materially from these forward-looking statements is available in our SEC filings, including our 2015 Annual Report on Form 10-K and Quarterly Report on Form 10-Q for the first quarter of 2016. These forward-looking statements speak only as of the date of this release and the Company does not assume any obligation to update or revise any forward-looking statement, whether as a result of new information, future events and developments or otherwise.
