WASHINGTON, Nov. 10, 2020 -- Danaher Corporation (NYSE: DHR) ("Danaher" or "the Company") today published its 2020 Sustainability Report, highlighting key environmental, social and governance developments at the Company and announcing new diversity and environmental goals.

Anchored in its Shared Purpose – Helping Realize Life's Potential – and empowered by the Danaher Business System, Danaher seeks to drive sustainability across three key pillars:

- **Innovation**: Danaher's technologies advance research, improve health and protect the environment.
- **People**: Danaher is committed to attracting, developing, engaging and retaining the best people to build and sustain the Company.
- **Environment**: Danaher strives to reduce the environmental impact of its operations and products, and support customers in doing the same.

These pillars are supported by a foundation of integrity, compliance and sound governance, which the Company refers to as the Foundational Elements of its sustainability program.

Highlights from this year's report include:

- Danaher's vital role in COVID-19 diagnostic testing and therapeutics and vaccine development. To date, Danaher's businesses have collectively enabled or produced more than 60 million COVID-19-related diagnostic tests and are involved in the majority of the more than 250 COVID-19 vaccine and therapeutic projects currently underway globally.
- Danaher's newly-announced diversity goals. Danaher is committed to achieving the following goals by 2025 (compared to 2019 levels):
  1. increasing the representation of women associates globally to 40% (from 35%); and
  2. increasing People of Color representation among U.S. associates to 35% (from 31%).
- Danaher's newly-announced environmental impact reduction goals: Danaher is committed to achieving the following goals by 2024 (compared to 2019 levels):
  1. 15% reduction in energy use (normalized to annual revenue);
2. 15% reduction in Scope 1 and 2 greenhouse gas emissions (normalized to annual revenue); and
3. 15% decrease in the percentage of non-hazardous/non-regulated waste sent to landfills or incinerators.

"We strive to be a purpose-led, high performance company which relies on the strength of the Danaher Business System and a commitment to integrity, compliance and sound governance to realize life's potential for all our stakeholders," says Rainer Blair, President & CEO. "Our innovative portfolio, the dedication of our passionate people, and our deeply ingrained commitment to continuous improvement amplify our opportunity to impact sustainability for the long term. As we rise-up to meet the world's challenges in this unique moment, we see a bright future ahead."
