

Danaher CEO Comments on Outlook

PRNewswire-FirstCall
WASHINGTON

Danaher Corporation commented today on the performance outlook of the company for 2009. President and Chief Executive Officer H. Lawrence Culp, Jr. communicated the company expects 2009 earnings per share to be in the range of \$3.70 to \$4.10.

Mr. Culp stated, "We have taken significant steps to prepare our businesses for what we believe will be a difficult year ahead. However, despite the current economic backdrop, we believe we are well positioned for 2009."

Danaher Corporation is a leading manufacturer of Professional Instrumentation, Medical Technologies, Industrial Technologies, and Tools and Components (www.danaher.com).

Statements in this release that are not strictly historical, including statements regarding the range of earnings per share expectations for 2009, the Company's positioning for 2009 and any other statements regarding events or developments that we believe or anticipate will or may occur in the future, may be "forward-looking" statements. There are a number of important factors that could cause actual events to differ materially from those suggested or indicated by such forward-looking statements. These factors include, among other things, the current economic recession and the upheaval in the credit markets and financial services industry, competition, our ability to develop and successfully market new products and technologies, our ability to expand our business in new markets, our ability to identify, consummate and integrate appropriate acquisitions, litigation and other contingent liabilities including intellectual property and environmental matters, our compliance with applicable laws and regulations and changes in applicable laws and regulations, tax audits and changes in our tax rate, currency exchange rates, commodity costs and surcharges, our relationships with and the performance of our channel partners, our ability to achieve projected efficiencies, cost reductions, sales growth and earnings, economic and other conditions in the end-markets we sell into, and general domestic and international economic conditions. Additional information regarding the factors that may cause actual results to differ materially from these forward-looking statements is available in our SEC filings, including our 2007 Annual Report on Form 10-K and Third Quarter 2008 Quarterly Report on Form 10-Q. These forward-looking statements speak only as of the date of this release and the Company does not intend to update any forward-looking statement.
