---

PRNewswire-FirstCall  
WASHINGTON

Danaher Corporation today announced that its Board of Directors has declared a two-for-one split of its common stock. The split will be effected in the form of a stock dividend payable on June 11, 2010 to shareholders of record on May 25, 2010. Shareholders will receive one additional share of common stock for each share of common stock held on the record date. The additional shares will be issued to shareholders on or about June 11, 2010. The Board of Directors also declared a cash dividend of \$.02 per share payable on July 30, 2010 to shareholders of record as of June 25, 2010, following the consummation of the stock split (the equivalent of \$.04 per share on a pre-split basis). The payment and amount of any future dividends will be determined by the Board of Directors in its discretion.

Danaher also announced that its Board of Directors has authorized the repurchase of up to 10 million shares of the Company's common stock from time to time on the open market or in privately negotiated transactions (which amount will be automatically adjusted to 20 million upon consummation of the stock split described above). This repurchase program replaces the repurchase program approved by Danaher's Board in April 2005. The timing and amount of any shares repurchased will be determined by the Company's management based on its evaluation of market conditions and other factors. The repurchase program may be suspended or discontinued at any time. Any repurchased shares will be available for use in connection with the Company's stock plans and for other corporate purposes.
